About Exhibition

International Fine Arts, Printing and Sustainability Conference (IFPSC) is proud to present the groundbreaking exhibition "TOGETHER: Immigration and Integration," set to take place in Barcelona in 2024. This unique event will explore the vital themes of migration and integration, shedding light on one of the most pressing issues of our time. Dedicated to fostering dialogue and understanding, "TOGETHER" aims to engage and inspire its visitors through thought-provoking poster designs that emphasize the significance of coexistence and the need to redefine ourselves as a global community. With a focus on inclusivity and unity, this exhibition seeks to challenge societal perceptions and promote a greater sense of empathy and appreciation for the diverse experiences of immigrants.
